Who We Are

Ecom-Energy is a completely objective energy consulting firm, specializing in energy management, sustainability, energy strategy, and procurement solutions for healthcare customers. With a goal of energy excellence – Ecom-Energy supplies complete solutions for all types of energy challenges.

Energy to Care Awards

The Energy to Care Award honors healthcare facilities that reduce energy consumption by 10% in a single year or 15% over two years.

Sharp HealthCare

Based in San Diego, Sharp HealthCare is a not-for-profit health care system with four acute-care hospitals, three specialty hospitals, three affiliated medical groups, and a full spectrum of facilities and services.

How We Did It

Since 2001, Ecom-Energy has partnered with Sharp HealthCare to provide energy consulting on a myriad of energy management and system-wide energy strategies. Sharp HealthCare is strategically implementing numerous Energy Conservation Measures with more phases planned for future implementation across the entire campus portfolio.
